

Minutes of York & District Petanque League – Monday 31st March 2008.

This year there are 11 teams competing in the York & district league, to include a new entry from a Leeds Club.

The league is to be split into 2 division with 6 teams in the 1st division & 5 teams in the 2nd division..

Each club to play opponents home & away.

The league to start on 8th May and will consist of triples & doubles as last year.

A team must consist of only 6 players, there was a proposition for 8 players per match but this was out voted.

Home team to choose piste & to fill in score sheet with named players before each round.

The 6 named 1st team players to be given to league secretary in advance of the 1st Match.

Nominated first team players are not allowed to play for the 2nd team. Second team players may play 2 games for the 1st team, but if they play 3 times they can no longer play for 2nd team.

Wetherby proposed that if you cancelled more than one game in a season your team got penalised. This was voted against.

If a team wants to play earlier than the proposed date this is ok providing the opposition agrees.

As we have a new club joining us ie Leeds we need a map of venue for all clubs.

We need to get in touch with John Smiths regarding what type of sponsorship they would like to offer if any. Once this is established then we need to let Wetherby know as they were last years winners and are eligible to choose next years presentation venue.

At the end of season the bottom team from division 1 goes down and top of division 2 joins division 1.
